

LEAVE
A SONG
THAT SOARS

FOR 65 YEARS, Chicago Children's Choir has inspired and united youth from diverse backgrounds to become global ambassadors through music. Today, CCC serves thousands of young people throughout Chicago and beyond with culturally responsive curriculum, community engagement, and dynamic partnerships. Singers are immersed in supportive environments that strengthen and promote empathy, hope, and unity among themselves and audiences.

We are able to continue providing life-changing opportunities that positively impact youth through generous long-term gifts from Chicago Children's Choir's Voice of Tomorrow, a planned giving society. Voice of Tomorrow members help secure a philanthropic legacy that elevates our essential role in the Chicago community and global arts landscape. A planned giving contribution ensures CCC's programming is accessible for generations to come. *Join us by investing in a future strengthened by song.*

Please consider joining Voice of Tomorrow's generous donor family. All donors who make a planned gift pledge to Chicago Children's Choir will receive the following benefits:

- ✓ Invitation to exclusive President's event with CCC President & Artistic Director
- ✓ Reserved seating at select concerts, as available
- ✓ Invitation to attend open rehearsals, as available
- ✓ Preferred name listing in CCC Concert Programs and Annual Report

"Drawn to Chicago Children's Choir by thrilling performances, we soon discovered a mission beyond. Inspired by song, these youth share the joys of diversity, embracing equality and justice for all.

Today, through a legacy commitment, we support the music, education, and equity that will serve as a strong foundation for thousands of Chicago children – now and for years to come. Please consider joining us in this mission."
